AHEPA - 405

AHEPA - 405

The American Hellenic Educational Progressive Association (AHEPA) is a fraternal organization founded in 1922 in Atlanta Georgia. Its initial mission was to promote the image of Greek Americans, assist with citizenship and combat prejudice, in addition to fighting for civil rights and against discrimination. There are more than 400 Chapters across the USA, Canada, Australia, and Europe. There is a local New Rochelle Chapter, AHEPA - 405, which, through its own Annual Golf Outing, provides invaluable scholarships and grants to the Westchester community organizations. HDSW's HOPE House Clubhouse program was a recipient of an AHEPA Grant in 2019. This Grant offered HOPE House the opportunity to purchase new Computers, printers, computer workstations, and desk chairs for the Computer Classroom the Members use today. We thank the AHEPA Brothers for their most generous support of HOPE House supporting our Members to reach their Employment, Education, and Social Engagement Goals. Thank you for helping HOPE House Have Opportunities Everyday for Members!
